Technical details

- Durability: Pressed steel case for maximum protection
- Modern Design: White steel forend with rounded ends, blending elegantly with any décor
- Flexible Installation: Reversible double-bevel half-turn without dismantling, suitable for left- or right-opening doors
- Secure Closure: Metal deadbolt and half-turn, offering superior robustness, not nylon
- Precise Locking: Zinc-plated steel strike plate for reliable bolt engagement
- Easy to Use: Two-turn mechanism for simple locking and unlocking
- Simplified Installation: Practical dimensions (7 mm square spindle, 70 mm centres, 40 mm backset) for easy integration
- 2-Year Guarantee: Confidence and peace of mind thanks to our quality assurance
