Technical details

- Pair of handles: A magnificent pair of handles, one for each side of the door, complemented by a 7mm thick plate for a neat and elegant finish
- Mounting adaptors: Two adaptors provided to facilitate the installation of the handles
- Solid spindle: A robust spindle of 8mm and 7mm diameter, ready to go through your door
- M4 through screws: Two of these little wonders included, perfect for securely fixing the adaptors to your door
- Screws and Allen key: We provide you with two screws and a 3mm Allen key to fix the handles to the adaptors. Child's play!
- Optional wood screws: Upon special request, we can add a set of wood screws to your parcel
- Installation guide in French: Don't speak DIY? No problem, our assembly instructions in French are here to guide you
- Superior quality: Our handles are made from zamak, guaranteeing exceptional quality and durability
- New product with warranty: Each handle is new and comes with a 24-month manufacturer's warranty. Peace of mind guaranteed!
- Self-levelling metal spring: All our design handles feature a double self-levelling metal spring, ensuring excellent stability
