Technical details

- Material: solid brass, full and heavy piece
- Length: 120 mm
- Spindle supplied: a 7 mm rod, the French standard for mortice locks. Let us know if you have a rim lock and we will supply the 6 mm one, at no extra cost
- Door thickness: up to 44 mm
- No return spring: the return action comes from the lock, making this lever handle compatible as standard with lift-lever locks
- Finishes: from bright gold to anthracite
- Packaging: one lever handle, i.e. one side of the door. Two are needed to fully equip the door
