Technical details

- Material: solid brass, a full and weighty piece
- Length: 130 mm
- Square spindle included: a 7 mm rod, the French standard for mortice locks. Let us know if you have a rim lock and we'll send the 6 mm, at no extra charge
- Door thickness: up to 44 mm
- No return spring: the return action comes from the lock, which makes this lever handle immediately compatible with lift-action locks
- Finishes: from bright gold to anthracite
- Packaging: one lever handle, i.e. one side of the door. Two are needed to fit it completely
