Technical details

- Retro design: The Hinon vintage door handle, with its classic style and round rose, is ideal for interiors with rustic or country charm. The exposed screws reinforce its industrial and authentic appearance
- Material: Made of iron, it offers exceptional strength and longevity
- Available finishes: Semi-matt black and rust finish for a unique vintage look
- High-quality paint: Powder coating for a durable, scratch-resistant finish
- Easy installation: Simple assembly using through screws. Compatible with doors up to 44 mm thick
- Square spindle: Included in 7x7x100 mm version for France. For Belgium or Switzerland, a reducer can be supplied upon request
- Complete kit: All screws and spindles required for installation are included in the packaging
