Technical details

- Pair of handles: A magnificent pair of handles, one for each side of the door, enhanced with a 7 mm thick plate for a neat and elegant finish
- Mounting adapters: Two adapters provided to facilitate the installation of the handles
- Solid spindle: A robust spindle of 8mm and 7mm diameter, ready to pass through your door
- M4 through-bolts: Two of these little wonders included, perfect for securely fixing the adapters to your door
- Screws and Allen key: We provide you with two screws and a 3 mm Allen key to fix the handles to the adapters. Child's play!
- Optional wood screws: Upon special request, we can add a set of wood screws to your parcel
- Installation guide in English: Not fluent in DIY? No problem, our installation instructions in English are here to guide you
- Superior quality: Our handles are made from zamak, ensuring exceptional quality and durability
- New product with warranty: Each handle is brand new and comes with a 24-month manufacturer's warranty. Peace of mind guaranteed!
- Self-smoothing metal spring: All our designer handles feature a double self-smoothing metal spring, ensuring great stability
